Scissors

Fiskars® cutting tools simplify the cutting of fabric thanks to the renowned, high quality scissors range.

SCISSORS

Classic Scissors

- The orange handled Fiskars Classic scissors are design icons that have been popular since 1967.
- The range consists of a wide selection of scissors answering the needs of the most various and demanding cutting needs.
- The unique, patented handle design of Fiskars' scissors makes them very ergonomic and comfortable, even during prolonged use.
- They are made in Finland from only the highest quality stainless steel (HRC 57).
- During the manufacturing process the blades are hardened and tempered to produce the best cut.
- The grinding, in conjunction with the hardening and tempering process, ensures long-lasting sharpness.
- The faceted blades and 30° edge blades make precision cutting easy.
- Made with non-toxic materials (cadmium free PBT plastic).
- Injection-moulded onto the blades to ensure a hygienic joint between the blades and the handle.
- All these scissors are dishwasher proof and shock resistant.
- Classic scissors can be sterilised in an autoclave up to 137°C, except 9445, 9495 & 5992.
